Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the North Smithfield Senior/Multigenerational Facility Construction Project in fiscal year 2023.

The entity to receive funding for this project is the Town of North Smithfield, located at 83 Greene Street, North Smithfield, Rhode Island 02896.

This funding would be used to convert the existing community space, Scouters Hall, into a full-service senior center with an outdoor seating area and walking paths. The senior center would provide a space where older adults could participate fully in the community, socialize, and receive services and assistance. The ultimate goal of the Town is to transform Scouters Hall into a multigenerational facility that could be utilized by residents of all ages.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "D. N. Cicilline".
